

Grow Your Family with Our Family

The arrival of a new baby is an exciting moment, and Cibola General Hospital is dedicated to meeting the needs of all moms and their babies. Our certified staff is experienced in the newest diagnostic and therapeutic birthing procedures. We offer 24/7 CRNA anesthesia coverage, breast feeding support, and more!

Delivery Benefits:

- Complimentary Meal for Mom and a guest
- Mother and baby after care all in one room
- Routine new born screenings
- Safer NM Certified Car seat technicians on site
- Contraceptives available after birth
- Baby's first photo, footprints, and more!rage

Prenatal Benefits:

- Three family-friendly birthing rooms
- 2D/3D/4D ultrasound images of your baby
- Childbirth education classes - Call (505)287-5323
- Fetal Monitoring system for safety of mom & baby
- 24/7 CRNA anesthesia coverage

If concerns arise during pregnancy, our highly trained physicians are able to handle complexities such as twin deliveries, pre-eclampsia, gestational diabetes, advanced maternal age, external version (breech baby), and cesarean section.
