

“Sharing Success” Grant Applications Now Being Accepted

Deadline to Apply is 5 p.m., July 5, 2024.

For the 13th consecutive year, Continental Divide will award a charitable grant of up to \$5,000. The grant is made possible by our co-op's governing board of trustees, in partnership with CoBank – a cooperative bank serving vital industries across rural America. Annually, we contribute up to \$2,500 for the “Sharing Success” grant, which CoBank matches dollar-for-dollar to bring the total grant amount available up to \$5,000.

In general, all 501(c)(3) nonprofit organizations are eligible, so long as they are located within the co-op's service area and their services directly benefit our members. Select organizations not designated as a 501(c)(3) may also be eligible. These include schools and government entities such as counties or municipalities and their agencies or departments, as long as they use the grant to serve a public purpose consistent with program guidelines listed on the application. Organizations that are political in nature, limit their activities based on religious affiliation, or discriminate do not qualify. Continental Divide and CoBank reserve the right to review and determine whether requests are eligible.

If your organization meets the qualifications listed on the grant application and your grant request falls within the guidelines of the attached application, Continental Divide encourages you to complete the form and submit the required documentation **no later than 5 p.m., Fri., July 5, 2024.**

Applications are reviewed to ensure all conditions are met. Continental Divide's board of trustees selects a winner based on recommendations from a committee, which ranks applications by their lasting impact and overall strength. The application chosen is then sent to CoBank. Upon its approval, Continental Divide will notify the recipient. Full payment will be made within 60 days.

On behalf of Continental Divide and its governing board, we look forward to the opportunity to support worthy organizations and their causes in the local communities we serve. Together, we make a difference.
